

Thank you for your interest in advertising on our website! We are happy to spread the word about homeschool products and we really appreciate your company supporting our homeschool community by choosing to place an ad on our website. Since homeschool organizations are usually run by individual families and small, poorly funded organizations, it is extremely helpful when companies like yours place paid ads on our site. It's a win/win situation for all. You get to advertise your product/service at an affordable price while you also enable our organization to keep our site up and homeschoolers are able to find the product/services they need to make their homeschool efforts a tremendous success!

Your 150px X 150px ad will run for an entire year. The cost is only \$30 per year. If you do not have a square banner ad we can make a simple one for you for an additional \$10. It would consist of a colored background of your choice if available and your company name with a 2-5 word description of your company/product. This banner will link to your website. If you do not have a website it will need to link to something so for an additional \$5 we will host a flyer that you provide with at least your company name, contact information and a description or advertisement.

The banner creation and flyer hosting is a one time charge so if you choose to place your ad on our site after your year is up you will not be charged for those again unless you make changes to them.

Your submitted logo should be approximately 150px X 150px. It may be resized slightly to fit the available space. Please submit your logo as a jpg, gif or as html code. Please email this file to [plhs@pensacolalifehomeschool.com](mailto:plhs@pensacolalifehomeschool.com).

You can either submit the flyer as a pdf or text file to [plhs@pensacolalifehomeschool.com](mailto:plhs@pensacolalifehomeschool.com) or mail it to Rose Jansen, 1239 Chisholm Trail, Pensacola, FL 32514. Please make sure you do not fold it.

Thank you for your support!
